## Admission

Admission to various courses in AIIMS New Delhi is made through entrance exam scores. Admissions to MBBS will be made through [NEET-UG](#) from 2021, B.Sc. admission through AIIMS B.Sc., whereas admissions to PG courses are made through the [INI CET](#) entrance exam, which is conducted by the institute itself. The steps for admissions are given below.

1. Fill in and submit the admission form.
2. Appear entrance exam.
3. Meet the required score or cut-off.
4. Submit all documents for verification.
5. Selected candidates will have to pay fees.

## Scholarship

Students pursuing various courses in AIIMS can be considered to receive financial support regardless of the category they belong to due to the extremely affordable fee structure. However, the institute offers merit cum means scholarship to its students. Apart from this, students can also avail themselves of various state and central government scholarships prior to meeting the eligibility criteria set by the authorities. Considering the low fee structure, not many students require scholarships.

## Placement

AIIMS New Delhi offers placement opportunities from top medical institutes or hospitals and internship opportunities to its students pursuing various courses in the institute. Most of its students get placed at hospitals and in the institute itself also. The institute has collaborated with various institutes and hospitals across the country and abroad, where they also provide opportunities to students too. The institute carries out the placement drives themselves for those who wish to work at AIIMS hospital itself.

## Careers360 Ranking / Rating

Institutions that are promoted by the central/state or provincial Government or Careers360 shortlists over 5000 colleges across domains each year. Out of these colleges, only those colleges are rated/ranked which provide transparent data requested by Careers360. The cumulative scores of colleges are then calculated and they are divided into clusters as per their scores. Careers360 ranks private and government colleges separately as the support system of both types of Institutions is completely different.
